

*Do your very best by being organized
both at school and home!*

HOMEWORK TIPS

1. Record your assignments in a special notebook or Title 1 Binder
2. Make sure you have your assignments before you leave school.
3. Talk to your teacher if you do not understand the assignment.
4. Plan in advance for large assignments and projects.
5. Plan a specific time to complete the assignments.
6. Note your study plan and times on a calendar.
7. Plan ahead so that you have plenty of time to do assignments and study for tests.

8. Have a quiet, well-lit place to study at home.
9. Keep your room neat and tidy.
10. Make sure you have the materials you need to study at home.
11. Make sure your homework assignments are neat and organized.
12. Bring the materials you need to do your assignments to school each day.
13. Remember to bring your completed homework to school.
14. Keep your school desk neat and orderly
