## *Title 1 Parent Involvement*

DEAR PARENTS,

The 2017-2018 school year marks a new change in the way we will be tracking monthly parent involvement at home.

This year we have purchased *Recipes for Success* (Practical Activities to Help Your Child Succeed). This 1 page sheet is filled with fun activities that will help your child develop school success and positive behavior. Just hang your Recipe poster on your refrigerator and sneak in an activity when you have a few minutes.

Check off each box as you complete the “recipes” you are able to do with your child or the whole family and return it at the end of each month. There are **no limits** on the number of activities you do, but please fill in the area that asked for how many activities you were able to finish and sign (for both adult and child).

Your child’s teacher will tally the number of returned and signed Recipe sheets each month, and the winning classroom(s) will be given a special treat from Mrs. Preston.

Thank you so much for your support and engaging your child in academic activities outside of school. Your help will greatly improve the success of your child throughout their education. Please feel free to contact me or your home-room teacher if you have any questions.

Jami Yuill
